CASE 5									

7. NARRATIVE

The Riverside County Sheriff's Department Vehicle Interdiction Pipeline Enforcement Resource (VIPER) conducted a Domestic Highway Enforcement (DHE) operation including personnel from USBP. Personnel were operating in marked units with an emphasis on highway enforcement targeting drug trafficking organizations and intel development. During the collaborative operation, 14 stops were conducted which resulted in intel development regarding trends. This information will be applied to future narcotic enforcement operations in an effort to disrupt and dismantle narcotic trafficking organizations in support of border security.

7. NARRATIVE

The Riverside County Sheriff's Department Vehicle Interdiction Pipeline Enforcement Resource (VIPER) conducted a Domestic Highway Enforcement (DHE) operation including personnel from USBP. Personnel were operating in marked units with an emphasis on highway enforcement targeting drug trafficking organizations and intel development. During the collaborative operation, 10 stops were conducted which resulted in intel development regarding trends. This information will be applied to future narcotic enforcement operations in an effort to disrupt and dismantle narcotic trafficking organizations in support of border security.

7. NARRATIVE

The Riverside County Sheriff's Department Vehicle Interdiction Pipeline Enforcement Resource (VIPER) conducted a Domestic Highway Enforcement (DHE) operation including personnel from USBP. Personnel were operating in marked units with an emphasis on highway enforcement targeting drug trafficking organizations and intel development. During the collaborative operation, 5 stops were conducted which resulted in intel development regarding trends. This information will be applied to future narcotic enforcement operations in an effort to disrupt and dismantle narcotic trafficking organizations in support of border security.

7. NARRATIVE

The Riverside County Sheriff's Department Vehicle Interdiction Pipeline Enforcement Resource (VIPER) conducted a Domestic Highway Enforcement (DHE) operation including personnel from USBP. Personnel were operating in marked units with an emphasis on highway enforcement targeting drug trafficking organizations and intel development. During the collaborative operation, 10 stops were conducted which resulted in intel development regarding trends. This information will be applied to future narcotic enforcement operations in an effort to disrupt and dismantle narcotic trafficking organizations in support of border security.
